

Dear Colleagues!

*We congratulate you on the 20th anniversary
of the Science and Technology Center in Ukraine!*

*You are the first intergovernmental organization
in Ukraine that supports the national science,
talented scientists, who previously worked in the defense
industry to provide international security.*

*It is important that STCU promotes elaboration and development
of the professional networks between scientists and leading
experts from academic institutions of the EU,
Canada and the United States.*

*Strong friendship and productive professional
contacts binds our teams for many years.
We hope that they will continue for many years and will bring
tangible results of joint scientific achievements!*

*Dear friends and colleagues!
We wish you much success in work, creative inspiration, successful
conquest of new scientific peaks, peace, harmony and prosperity!*

*Sincerely,
from the team of NSC "Institute of Experimental
and Clinical Veterinary Medicine"
Director,
NAAS Academician*
